January 8, 2010

Dear Friend of Vision 21,

The Board of Directors of Vision 21 all agree: it's time we heard from our oldest friends: those individuals and organizations who were so instrumental in helping to guide us in the early days of our existence in 1996, when we first came together to find common cause for improving the economic opportunities and quality of life for those who live in our Susquehanna River Valley communities.

Thanks to your support and cooperation, Vision 21 has accomplished much in its 13 years of civic life, including the creation of Comprehensive Master Plans for the towns and villages of the Tri-Town region, the establishment of the very successful Leadership programs for Chenango, Otsego and Delaware County. In addition, Vision 21 prints and distributes 15,000 copies of a bi-annual tourism brochure that promotes the businesses and culture of the Tri-Town communities. We also continue to honor the men and women who volunteer countless hours in their communities through our Community Pride Award program. Above all, Vision 21 has continued to serve in its primary role as a catalyst and agent for economic change and growth in the Susquehanna River Valley region.

The brief survey enclosed will give us the opportunity to listen to you once again. We want to know how Vision 21 can help you *today*, with the challenges and opportunities facing you *today*, in 2010. Please know that this kind of feedback will be invaluable to us at Vision 21 as we chart our course for the coming year. You can either return the survey by regular mail to: Vision 21, PO Box 2183, Sidney, NY 13838 or, if you prefer, complete our on-line version of the survey by going to our website, www.tcavision21.org. Please respond by January 31.

Hopefully, the results of this survey will allow us to sharpen our focus as we enter this new decade, with all its opportunities and challenges. I thank you for taking the time to help us with this important communication, as we renew our commitment to improving the lives of those who live and work along our beautiful Susquehanna.

Sincerely,

David Ramsey
Board President
